

Higher and Degree Vacancy Listing for 2020 Recruitment

Updated September 2019

Visit [apprenticeship.gov.uk](https://www.apprenticeship.gov.uk)

This higher and degree apprenticeship listing showcases over a thousand vacancies from various employers starting autumn 2020. The best news is that if you are still considering your options, you can apply for these apprenticeships and a full time place at university at the same time.

Higher and degree apprenticeships are widening access to the professions, and across all sectors, including STEM (Science, Technology, Engineering, Manufacturing). They are bringing together the very best of higher and vocational education.

Degree apprenticeships give you the opportunity to attain a degree or professional qualification from some of the best universities and providers, whilst training in a top flight career. Your training is paid for by your employer and the government, so there is no cost to you. You will also be earning a salary from day one.

To view roles you are interested in visit **GOV.UK** and **search 'apprenticeship vacancy listing.'** Continue to check this page through out the year as we regularly update the listing, we plan to have the next update in November 2019.
