

UTC Heathrow Year 12 Careers Programme

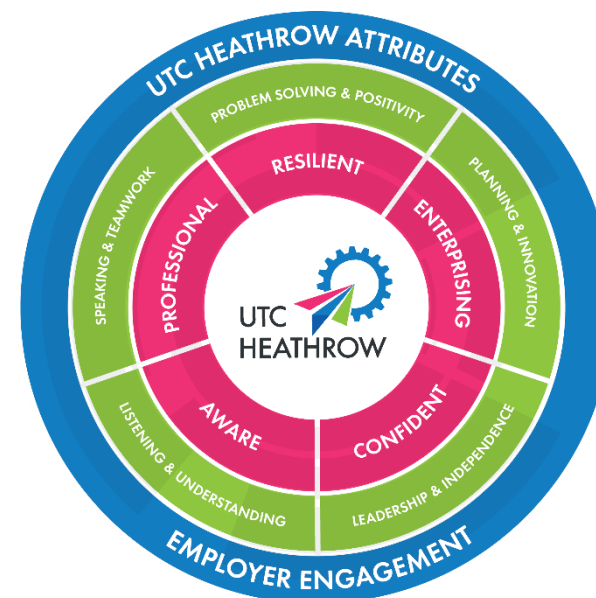

Intent Statement

Everything we do aims to transform lives through learning for successful lives and careers.

There are a number of activities that are embedded within the careers programme and continued to be delivered year on year, whilst there are also opportunities that are additional and are considered on an annual basis. The Careers Programme has been designed with both the Gatsby Benchmarks and the CDI Framework in mind. Students will have a number of careers related opportunities throughout the academic year to complement their studies and continue to develop their employability skills in preparation for the world of work.

Overarching Careers activities;

- Digital Futures Programme
- CoTeach Workshops/CoTeach Projects
- Subject Specific Celebration Weeks e.g. National Apprenticeship Week
- Challenge Days
- Guest Speakers Programme
- External Trips and Visits
